Instructions

1. Remove Outer Cover

Gently remove the outer cover of the diffuser by lifting it off to reveal the inner components.

2. Connect Diffuser

Plug the power cord into the diffuser and then insert the plug into an electrical outlet.

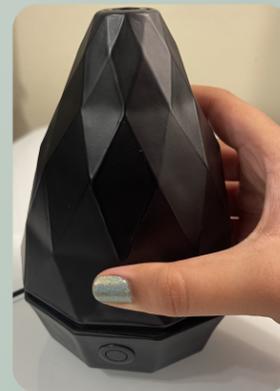

3. Fill with Water

Fill the water tank up to the inner fill line with clean and room-temperature water.

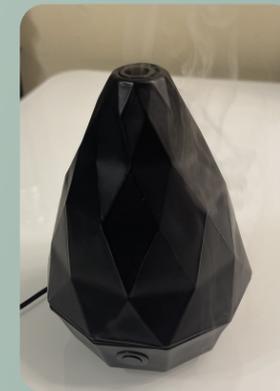

4. Add Essential Oil

If desired, add 5-10 drops of your chosen essential oil to the water in the tank.

5. Reattach Outer Cover

Place the outer cover back on the diffuser. Ensure it fits snugly and securely to avoid any interference with the diffusing process.

6. Select Mode

Adjust the operating mode by pressing the button: one press for continuous mist, second press for mist every few minutes, and third press to turn the diffuser off.
